

HEATHROW'S VIP SERVICE

B Y I N V I T A T I O N

Welcome to Heathrow Airport's best kept secret. [Heathrow By Invitation](#).

For years, Heathrow has offered a private VIP service for dignitaries and Heads of State. We are now extending the invitation of this luxury VIP service to a very limited number of travellers per year.

As our guest you will be personally greeted and attended by staff familiar with the protocol of serving high profile diplomats.

Bypassing the main terminals and other passengers, you can relax in your own personal lounge, in total privacy where all the check-in processes and security are taken care of.

You are then whisked by luxury limousine to the steps of your departing flight, or collected directly from the aircraft when arriving or transferring.

It's a seamlessly private and personal travel service. So next time you fly through Heathrow, indulge in a private jet experience at the world's best connected airport. We look forward to welcoming you.
